

sacred nature

eco-cosmesis for the skin. for the planet

According to the parameters of Ecocert and Lifegate Energy's Impatto Zero, sacred nature is uniquely committed to ecological sustainability

- Ecocert requires that the genuine practice of environmental respect is observed by a rigorous inspection of product ingredients, formulas, processes, packaging, and labeling

- Adhering to Lifegate Energy's zero impact project, "Impatto Zero" ensures that the ecological footprint from CO₂ production is eliminated by reforestation in Costa Rica
